Yassir Bouali

Futur Python backend developer | Étudiant à Ecole Racine
Marrakech

Marrakech, Marrakech-Safi, Maroc

Résumé

hi !
I'm yassir bouali I'm 19 yours old I'll be full stack developer from
Marrakech, Morocco, currently studying at Racine Marrakech
School in the Informatics Development Department. With a strong
foundation in both front-end and back-end development, I'm on a
journey to become a versatile software engineer. Always eager
to learn and explore the latest in the tech world. Let's connect and
create meaningful connections in the tech community!

Formation

Ecole Racine Marrakech
 · (2023 - 2025)
